Hi all, curious to see if any downtowns/BIDs have restrictive covenants or ordinances deployed to restrict large chains?

Thanks in advance, Meghan

We have a program where the Police in our District are allowed to offer up to a \$100 to a visitor who was a victim of a crime in our Hotel District with certain restrictions. We want to rework our program and I wanted to know if there is anyone who has such a program and if so what limits you have placed on the program?
Thanks.
